

My Priorities

1. GOD - Do I commune with Him?
Am I devoted? Am I hearing Him?
Is He pleased with me?

2. MY HUSBAND - Am I making him look good?
Am I helping him? Do I defer to him in everything?
Do I show him respect? Does he think so?

3. MY CHILDREN - Do they know I love them?
Am I consistent in love and in discipline?
Do they know I love God? Do they know I love their Father?

4. MINISTRY - Has ministry displaced any other priority?
Did God ordain/command/design this ministry? or did I?
Am I "doing" ministry to please God or to please people?
Am I instilling in my children a love for service?
